

Dear folks at Cilentano,

We were en route again with you and we were thrilled.

First, we were at the Amalfi coast, for not quite a week, at Mr. Luigi Milo's Bed & Breakfast Hotel La Locanda del Fiordo in Furore. In our opinion, the hotel's location and the view are second to none. Of course, the bus stop nearby was great, too, because you could just leave your car in the parking lot, and the view from the bus, due to the elevated sitting position, was fantastic.

The choice of this hotel was indeed very good luck, thank you very much.

Then we spent 2 weeks at Marina di Camerota, again at Mr. Maurizio Perino's Casa Giulia, we felt like coming home again, as we had been there before.

Of course, we went to Brera's again very often, to eat and celebrate, Nicola is someone you simply feel comfortable with and he recognized us immediately, even after 4 (four) years.

That says it all, doesn't it?

I'll stop now, could go on for hours, but I'll leave it at that.

Keep it up.

Kind regards

Marion & Jürgen K., Munich, Casa Giulia, September 2009
