

Dear Madam or Sir

We would like to thank you very much for recommending and arranging for Hotel La Colombaia near Agropoli where we spent our holidays from May 18th to June 02nd. The surroundings are simply fantastic and we were very impressed by the number of possible excursions and sights. Really worth a journey.

The highlight, however, is Hotel Colombaia. Luigi Botti, the owner, is great, always ready to help, always at your disposal and always willing to give advice and recommendations if need be. Furthermore, a marvellous sense of humour whatever the circumstances and a team which impresses with its friendliness and service. Good Italian breakfast with a lot of add-ons if you really need any. Excellent, reasonably priced food always served with the right wine. Simply fantastic. Furthermore, great flexibility concerning special requests with meals. Unique location with magnificent view and sunset, well-tended and lovingly laid out premises with large pool. A paradise which leaves nothing to be desired.

We felt completely at ease and enjoyed our 14-day holiday to the full and we felt relaxed in a way we haven't felt for a long time. We will surely return!!

Thanks a lot, above all to Luigi Botti, whom we have really taken to our hearts and to whom we send greetings.
