

Dear Madam or Sir,

Back from a successful journey to Italy, centring among others on the Cilento and Pompeii, we would like to pass on to you a short feedback. Unfortunately, we have mislaid the questionnaire you sent us and are, therefore, passing on the information this way.

First of all, we would like to tell you that we are very satisfied with the arrangements by Cilento-ferien. All the information we received was very helpful, the descriptions of the hotels we booked complied completely with what we met with onsite.

A special compliment for choosing Hotel Da Carmine at Ogliastro Marina where we spent 7 wonderful days. Beautiful location, very good cuisine with emphasis on certain products (fish, pasta and seafood must be pointed out) and an interesting as well as very hospitable family Verrone. Furthermore, there is an excellent value for money, also concerning the costs not covered by the half board we had booked (e.g. mineral water Euro 2, grappa (triple) Euro 3.00, local wine (Euro 10,00 a bottle).

We were completely satisfied.

We found the small hiking and travel guide by Peter Amann very helpful, due to which we got to meet Antonio at Marina di Castellabate. Antonio furnished a lot of valuable information and tips concerning the land and the people, hiking tours and particularities.

Kind regards to Regensburg
