

Hello Mrs. Geser,

Thank you very much for the package containing the fantastic olive oil. First of all, a special thank you also to Mrs. Poggi for organising the rental car and pick-up service with the Antares agency!!! Mr. Franco Nigra, its local head picked us up on the dot and courteously and arranged everything else for us perfectly.

Whom I would like to point out particularly, too, is the friendly owning couple – we were welcomed with home-made cake and iced limoncello!!! They attended to us in a charming way. The fact that we as Germans missed a coffee machine should not be valued in too negative a way – otherwise, our every wish was anticipated!!!

Concerning local cuisine, I would like to warmly recommend 2 restaurants:

1. Pizzeria Ecco del Mare directly next to apartment La Catara – friendly service, reasonable prices and excellent food.
2. Pasta e Pizze da Nello (owner Maiello Aniello), unfortunately a bit off the track in Via Pagliarola 33 – absolute prime quality service – always a smile and, of course, Italian cuisine like at mama's, a local's insiders' tip which I'd like to pass on.

Otherwise, all I can say concerning the Cilento area is: Friendly and obliging people, a gorgeous coastline and fantastic mountain villages. I have been an Italophile for 35 years – this area is among the most beautiful in Italy – I'm in a position to judge. This has not been my last holiday there!!!! [...].

Apart from that, kind regards, I'll book my next holiday in Italy with you.
